Ms. Carolyn Mayer
Philip Services Corp.
955 Powell Avenue SW
Renton, WA 98055-2908

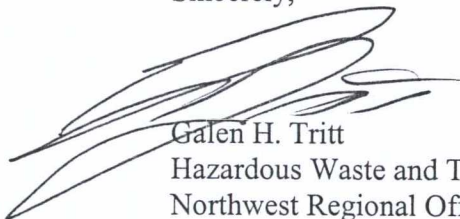

Dear Ms. Mayer:

**Re: Burlington Environmental, Inc. a wholly owned subsidiary of Philip Services Corporation, Pier-91 Facility: Permit No. WAD000812917
Concerning Permit Renewal**

The Philip Services Corporation (PSC) as operator and the Port of Seattle (POS) as owner of the Pier-91 dangerous waste storage and treatment facility; have requested an extension for submitting a renewal application for the Dangerous Waste Permit for the above referenced facility. The Washington State Department of Ecology approves your request to extend the deadline to August 26, 2002. The continuation of the expired permit will remain in force after the expiration date according to provisions in WAC 173-303-806(7)(a) and WAC 173-303-806(7)(b).

If you have any questions or wish to further discuss the permit renewal issue, please do not hesitate to contact me at (425) 649-7280 or Gtri461@ecy.wa.gov.

Sincerely,

Galen H. Tritt
